**Patient's Name:** \_\_\_\_\_

**Patient's Date of Birth:** \_\_\_\_/\_\_\_\_/\_\_\_\_

All minors must be accompanied by a parent or a legal guardian for their first visit with our practice. Unfortunately, due to informed consent and contracting laws, we cannot treat your child for a new condition until we have informed you of the specific diagnosis and suggested treatment they require and then receive your consent and approval. **If a parent or legal guardian is not present at the time of a minor child's appointment, the child can only be evaluated, and only if a parent or legal guardian consents to the evaluation in advance by completing Section 1 below. Unfortunately, no treatment for a newly discovered condition can occur until authorized by a parent or legal guardian after receiving the appropriate information.**

1. **Evaluation authorization by parent/legal guardian only: (Check one box only)**

- I will be attending all appointments with my minor child and do not want my minor child evaluated unless I am present.
- I will not be attending follow up appointment(s) with my minor child and give consent and approval for any evaluation deemed appropriate by the provider. I understand that unless I am immediately available to authorize any additional treatments, my minor child will need to come back for additional treatment after I provide the necessary authorization and consent.

2. **Treatment authorization by parent/legal guardian only: (Check one box only)**

- I will be attending all appointments with my minor child and will be present to give consent if a procedure is recommended. You may not treat my minor child without my authorization and approval at the time of treatment.
- I will not be attending follow up appointment(s) with my minor child and give consent and approval for ongoing care of any previously diagnosed condition for which I have already provided informed consent.
